

Mounting Services:

Our in house mounting services utilize a VacuSeal 5298H Vacuum Dry Mount Press and a 52" Cold Press that is only limited by the width of the press. Mounting costs are figured per square foot as follows:

Black GatorBoard

3/16"	1/2"	3/4"	Laminate
\$4.65/sq ft	\$5.50/sq ft	\$7.50/sq ft	\$3.00/sq ft

Other materials available such as canvas (below), plastic & other foams. Please note that due to size, mounted enlargements over ~20x24 must be picked up locally or a special create may be needed.

Canvas Enlargements:

Our Canvas Enlargements are made by mounting the photograph on a board, stripping off ONLY the photographic emulsion and mounting that onto canvas. Canvas Enlargements have a "laminated" coating. For costs please contact us.

Digital Photographic Enlargements:

1st Print Price is 8.5¢ per square inch. Additional prints of the same enlargement are priced at 6¢ per square inch. Please note that decimal inches are rounded up, so an 37.5" x 42.25" is billed as a 38" x 43" enlargement. On our website is a calculator for help determining the final cost (for comparison if you are paying per square foot a 38x43 would be 16 sq feet).
